

Braille Awareness Shows

The Braille Awareness shows are designed to introduce students to tactile experiences and to enhance their knowledge and awareness of Braille as well as blindness and low vision.

Shows run for about 30 mins and include elements of learning, storytelling, and craft that are all focused on reading inclusion, equality and diversity.

Shows only \$220 (inc GST)
(Up to 25 children)

Braille Awareness Shows: Connecting with Brisbane Catholic Education

Braille Awareness Shows align with BCE's
Strategic Plan (2021 – 2025),

in particular the Values of
integrity, justice, hope and excellence,
as well as the Priority of
diversity and inclusion.

Further, there is a direct link with the
Australian Curriculum
via the Personal and Social Capabilities,
and learning areas such as
English and Science
(which may also embrace identified
Catholic Perspectives).
